Local man starts children's entertainment business

Local man, Gerry Wynne, from Athleague, Co. Roscommon has recently started a Kids Party Club business as a second income for his family.

Gerry has previously worked in the retail and wholesale business but decided to combine his experience of working with children in the GAA and also the Community Games and put this to creative use!

Kids Party Club is a national children's entertainment and education business, providing professional party entertainment for children. Key occasions include birthdays, communions, weddings and corporate events as well as Christmas parties! In addition, the Kids Party Club – Educational, provides educational puppet shows in National Schools around the country on topics including anti-bullying, healthy eating and reading, performed and communicated in an accurate and sensitive, entertaining manner.

Gerry travels from his home in Athleague to give parties in the safety and comfort of customers' own homes as well as other party venues. "I have vast experience working with children and looking after my own two kids! As part of the franchise package I received an exclusive franchise territory and full complement of equipment, show and promotional

materials, puppets, sound and lighting systems, basically everything I needed to get the business up and running. I also receive ongoing, comprehensive training to help me operate the franchise effectively. I am really looking forward to building the business and bringing some puppet magic into children's homes!" said Gerry.

A Kids Party Club party comprises of a pre-recorded, fun and highly creative and educational puppet show followed by a kids disco with DJ Funky and friends, and a little magic show!

The puppet shows work a bit like a pantomime – nice and simple for the kids to understand but with a little sub-text to amuse any adults who may be watching! Because the shows are pre-recorded they also have a layer of sound effects that really adds to the enjoyment. The sound and lighting systems are top of the range too which further adds to the professional show. The disco lasts about 35 minutes playing all the usual favourite songs! The whole show lasts approximately an hour and 15 minutes, which is just about right for the children's attention span!

For further information or to book a party visit www.kidspartyclub.ie or LoCall 1890 252 382.

Win a Kids Party Club Party for you and your friends

Colour me

Name: _____ Age: _____

Address: _____

Doctor, Doctor I keep thinking I'm a woodworm.

How boring for you!

Doctor, Doctor I think I'm a bridge.

What's come over you?
Oh, two cars, a large truck and a coach.

Doctor, Doctor I think I'm an electric eel.

That's shocking!

Doctor, Doctor I think I'm a python.

You can't get round me just like that you know!

Knock Knock

Who's there?

Annie!

Annie who?

Annie one you like!

Jokes of the week ...
